

REMARKS

Reconsideration of the subject application in view of the present amendment is respectfully requested.

With the present amendment, claims 1 and 3 have been canceled. Claim 4 has been rewritten in independent form. Claims 11 and 12 have been amended to provide their proper dependency.

Claim 4 has been indicated, together with claims 5-9 and 14,16, as being allowable upon having been rewritten in independent form to include all of the limitations of the base claim and any intervening claims. Accordingly, it is respectfully submitted that claim 4 that has been amended to incorporate the subject matter of claims 1 and 3, which is tantamount to rewriting claim 4 in independent form, is in condition for allowance, together with claims 5-9, 11-14 and 16 dependent on claim 4, directly or indirectly. Claims 15, 18 have already been allowed.

When incorporating claim 1 in claim 4, the subject matter of claim 1, the Examiner indicated as being new matter, has been deleted.

Accordingly only allowable claims remain in the application. Allowance of all of the pending claims is respectfully requested.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance, and allowance of the application is respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place the case in condition for final allowance, it is respectfully requested that such amendment or correction be carried out by Examiner's Amendment and the case passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, the Examiner is invited to telephone the undersigned.

Respectfully submitted,
